

# Client Testimonials

“She’s patient and accommodating with your pups and caters to their personalities with specific rewards like treats or toys to motivate them. We had such a wonderful time, and the pictures are vivid and capture their spirits!”

~ Janet and Gregg from San Diego, CA

“She does an amazing, beautiful job. I couldn’t believe she got my boy Shadow to look at the camera! I call her the dog whisper of dog photography.”

~ Kim from Manhattan Beach, CA

“You certainly worked your magic! I didn’t know that Felix could smile. I am so pleased with your magnificent photography. Thank you for all your efforts.”

~ Janet from Garden Grove, CA

“Jamie really captured our puppy’s personality with professional-quality photography and has such a great eye with the camera. With our puppy growing up so fast, we’ll be eternally grateful to have these memories forever, all thanks to Jamie! Highly recommend Outdoor Dog Photography.”

~ Margaret & Jennifer from Manhattan Beach, CA
