

PUPPY SPECIAL

Our Puppy Special is designed to help pet parents who want to capture the memories of their fast-growing puppies.

Puppies are easily distracted and not yet fully trained, so a 30-min session isn't long enough.

Don't miss the opportunity to capture the sweet puppy stage!

- Shooting Time: 45 minutes
- Setting: Park
- Included 10 high-resolution JPEG files
- Price: \$333
- Requirements: Must finish puppy vaccinations.
